Quote: "Jesus came to do a dangerous work in the world—to destroy the power of death and sin and restore us into a right relationship with himself. His message is not safe; his love for us is undaunted. He was not afraid to walk into the dark crevices of this world with his light." –Ed Robb, *Under Wrap*

Did you know – that you can find address labels (as people change their addresses) and/or obituary notices on the slats outside the church office?
