FROM BISHOP WEBB:

Prayers and support for West Virginia

Sisters and brothers in Christ,

By now you have likely heard about severe weather and flash flooding that the residents of West Virginia have suffered through since late last week. The flooding has brought death and devastation to countless people in the West Virginia Conference and I ask you to support them with both your prayers and your gifts.

First, let us hold up all those impacted by the devastation in prayer. Let us pray for those who have lost loved ones to find healing and for those who lost property to feel hope for the future. Let us pray for the United Methodist in West Virginia and beyond who will be caring for the hurt and broken people of West Virginia. Let us pray that we as the United Methodist Church can be a shining light for all those who are suffering and truly be God's love in their lives.

One of the most amazing things about being United Methodist is our connectional system. Though our connection we can support people around the country and throughout the world in their times of need. Thank you for being a part of that connection.

PLEASE USE THE SPECIALLY MARKED ENVELOPES FOR THIS OFFERING – available in each pew and at the Welcome Centers
