Did you ever meet in Gibbs Parlor during the hot summer months (whether for Worship, Sunday School or a meeting)? We all know how hot it can get. We have been able to purchase "next to new" floor air conditioners to help cool the room. If you would like to help us offset the price of the air conditioners, please use a yellow envelope (marked Air Conditioner – available at the Welcome Centers and near the doors) and drop it in the offering plate, or drop off at the church office.

Sunday mornings - Gibbs Parlor & the nursery –  
the air conditioners will be on!

**Help wanted:** We are looking for individuals that would be willing to be part of a Capital Campaign Fund Team. The purpose of this team is to assist the Finance Committee & Trustees in raising funds for various projects. If you are interested in serving – Please see Doug Richmond, Scott Robbins or let the office know.  
Thanks.

*Did you know that we collect used printer ink cartridges & toner cartridges? We then recycle them and get money for them.  
So far this year, **we have received over \$125 from recycling the cartridges.**  
There is a box in the outer office for you to put your used cartridges.*
