

The question of the day: When will we be reopening?

Many of you have asked when we are reopening. We are working through the process of the necessary guidelines and mandates in order to make worship as safe as possible for everyone. We have many things to do to get ready and when we come back, worship will be different from when we last met together in March. Please be patient with us as we explore not only the State mandates but also the guidelines of our denomination. Thank you for understanding that we are trying to accommodate these new guidelines. Please continue to keep the staff and committees in your prayers as we try to prepare for all of these guidelines.

We are tentatively looking at reopening in mid-July if things continue to progress the way they have been. When we have a definite date, we will be sending out a mass email and snail mail letter explaining our new guidelines.

We miss all of you and have been praying for you and your families.

If you have a High School or College graduate, (Aug 2019 – Aug 2020), please let the office know. We would like to honor them.

New phone number for Nancy Hanks – 338-9955

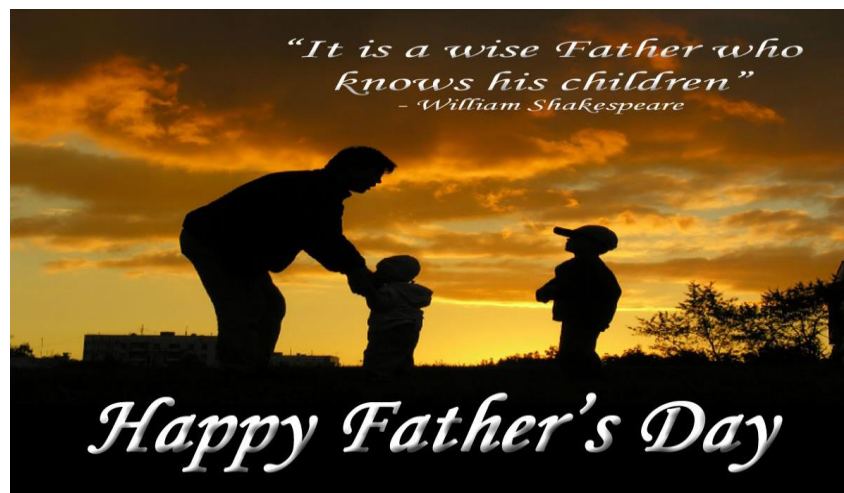

New address for Dottie Wasmund (6/1/2020) 716) 238-4482
201 Park Ridge Circle 304 N
Winston-Salem, NC 27104

PRAISES!!!

From Evelyn Paddock:

My family and I thank all the friends, Pastor & UMW for the prayers, cards, visits and flowers. It was a long, hard time – lots of therapy. I used the prayer shawl every day. Thank you for the encouraging notes and phone calls since I have been home.

Jan VanOrd would like to thank everyone for their thoughts, prayers and cards while she was in the hospital.

We did it!!

Pastor Mike has already shaved his head.

Pastor Nick is working on a good date to paint his head.

LeAnn will be getting her hair dyed soon.

With everyone's help, we managed to CRUSH our food Pantry/ Blessing box challenge.

Lakewood collected—\$1,640

Westfield collected - \$1,645

Giving us a grand total of \$3,285

Many thanks to everyone that contributed!
