

We tentatively plan to return to in person worship on **Sunday August 2nd @ 10am.** The decision to resume public worship on this date has not been made in haste. While we prepare to hold worship in the Fellowship Hall, we ask that you continue to hold our nation in prayer as many places continue to wrestle with Covid-19. Please be aware that worship will look, feel, and sound different than before the pandemic. For example, no bulletins, no singing, facemasks must be worn, use of hand sanitizer when entering/leaving the building, and social distancing. These are the measures needed to be implemented in our return to in person worship on August 2nd.

There are many folks that are working diligently behind the scenes to help our return to worship to be safe and meaningful. We ask for your grace and cooperation. Although we would love to see everyone return on August 2nd, we understand and affirm the need for persons to return when they are comfortable to do so. We do not want to discourage anyone from communal worship. However, we ask that you prayerfully consider how and when you may resume public worship. For example, persons 65 years (or older) and/or those who underlining health concerns may want to take extra precautions.

Once in person worship resumes on August 2nd, all worship times will be held at 10am. I look forward to being with you under the same roof and exploring the fascinating letter of Ephesians. In the meantime, know that you are being held in prayer. If you have any questions and/or concerns, please contact our Administrative Assistant, LeAnn or Pastor Nick in the Church Office (326-3243).

Thanks
